FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum provides information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes standard responses that apply to requests for records about individuals to the extent your request seeks the listed information. Part 3 includes general information about FBI records, searches, and programs.

Part 1: The standard responses below apply to all requests:

(i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIPA [5 U.S.C. § 552(c)]. FBI responses are limited to those records subject to the requirements of the FOIPA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.

(ii) **Intelligence Records**. To the extent your request seeks records of intelligence sources, methods, or activities, the FBI can neither confirm nor deny the existence of records pursuant to FOIA exemptions (b)(1), (b)(3), and as applicable to requests for records about individuals, PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that any such records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

(i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.

(ii) **Requests for Records about any Individual—Witness Security Program Records.** The FBI can neither confirm nor deny the existence of records which could identify any participant in the Witness Security Program pursuant to FOIA exemption (b)(3) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(3), 18 U.S.C. 3521, and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

(iii) **Requests for Confidential Informant Records.** The FBI can neither confirm nor deny the existence of confidential informant records pursuant to FOIA exemptions (b)(7)(D), (b)(7)(E), and (b)(7)(F) [5 U.S.C.§ § 552 (b)(7)(D), (b)(7)(E), and (b)(7)(F)] and Privacy Act exemption (j)(2) [5 U.S.C.§ 552a (j)(2)]. The mere acknowledgment of the existence or nonexistence of such records would reveal confidential informant identities and information, expose law enforcement techniques, and endanger the life or physical safety of individuals. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

(i) **Record Searches and Standard Search Policy.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching systems, such as the Central Records System (CRS), or locations where responsive records would reasonably be found. The CRS is an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled by the FBI per its law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization, comprising records of FBI Headquarters, FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide; Electronic Surveillance (ELSUR) records are included in the CRS. The standard search policy is a search for main entity records in the CRS. Unless specifically requested, a standard search does not include a search for reference entity records or administrative records of previous FOIPA requests.

a. *Main Entity Records* – created for individuals or non-individuals who are the subjects or the focus of an investigation
b. *Reference Entity Records*- created for individuals or non-individuals who are associated with a case but are not known subjects or the focus of an investigation

(ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.

(iii) **Foreseeable Harm Standard.** As amended in 2016, the Freedom of Information Act provides that a federal agency may withhold responsive records only if: (1) the agency reasonably foresees that disclosure would harm an interest protected by one of the nine exemptions that FOIA enumerates, or (2) disclosure is prohibited by law (5 United States Code, Section 552(a)(8)(A)(i)). The FBI considers this foreseeable harm standard in the processing of its requests.

(iv) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheet. These criminal history records are not the same as material in an investigative "FBI file." An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.

Informant continued by relating that he withdrew from the SWP in 1946 after having been approached by TED DOSTAL who wanted to know what the informant's attitude would be in case of war between Russia and the United States. The informant indicated in so many words to DOSTAL that he was for the United States. This was contrary to the views of DOSTAL, who said Russia was to be defended because it was the only true "Workers' State."

After the informant's withdrawal from the SWP, he continued to [redacted] b7D [redacted] and continued to be in contact with CAMENS, who was President of Local 1330, [redacted] and also had contact with TED DOSTAL.

According to the informant, CAMENS told him several times between 1946 and February, 1950, that "they" were continuing to pay his dues in the SWP and wanted him to get back in the SWP. The informant further stated that CAMENS visited him several times between March, 1950, and July 17, 1950, and tried to get him to pay up his back dues in the SWP. In July, 1950, CAMENS related to the informant that he had been taken off the active list of the SWP and had been put on the "friendly list."

Informants further stated that CAMENS remarked that inasmuch as the steel industry is concentrated in Pittsburgh the SWP members in Youngstown, Ohio, should become better acquainted with the SWP members in Pittsburgh, Pennsylvania. (U)

~~CONFIDENTIAL~~

The informants stated further that CAMENS quoted FARRELL DOBBS, National Committee member of the SWP, to the effect that SWP members in industry should act with caution but that they should use every opportunity to make Party sympathizers out of friends and acquaintances inasmuch as a vote by them in a union election counted as much as that of a Party member and that by inducing the sympathizers to carry out the Party's aim there would be less likelihood of members being "red baited." (X) (U)

Subject attended the SWP National Convention held in New York City during the period July 1 to 5, 1948.

The Pittsburgh Branch of the SWP held a meeting on May 19, 1949, at SWP Headquarters, 2014 5th Avenue, Pittsburgh, Pennsylvania, and that ELOISE BOOTH GORDON, Pittsburgh Organizer and alternate committee member of the SWP, announced that SAM CAMENS of Youngstown, Ohio, would speak on May 27, 1949, in Pittsburgh, Pennsylvania, and that CAMENS would use an alias at that time because he was President of his local union and did not want his true name used on circulars advertising the meeting. (X) (U)

CAMENS, using the alias SAM CHANDLER, was the guest speaker at a public meeting held by the Pittsburgh Branch of the SWP at SWP Headquarters, 2014 5th Avenue, Pittsburgh, Pennsylvania, and gave a talk entitled "Taft-Hartley Unionism," stating in substance that the White House and the State Department dictated the solutions for labor's problems and that when any labor leader objects to such dictation the spector of the hammer and sickle is brought forth against him. CAMENS called for unity of the labor ranks to destroy the Taft-Hartley Law. (X) (U)

(X) (U)

The informants stated that during the discussion of the coal miners' strike, CAMENS announced that he was able to furnish $300 from his local union funds to assist the miners. Informants further stated that a resolution was passed urging the SWP members to influence their local unions to furnish support to the miners. (X) (U)

Subject attended a party on May 21, 1950, held by the Pittsburgh Branch of the SWP at 2014 5th Avenue, Pittsburgh, Pennsylvania, and that CAMENS invited those present to attend an SWP meeting to be held in Youngstown, Ohio, on May 25, 1950. According to the informants, CAMENS remarked that the question of Yugoslavia's status as a Workers State would be taken up at the Youngstown meeting and that the question concerning Yugoslavia was the most important event that has occurred to make the SWP a true international party because the Trotskyites were for TITO. Subject was in attendance at the Ohio State SWP Convention held in January, 1949, at 4 South Howard Street, Akron, Ohio. BERT COCHRAN, Head of the National SWP Political Committee, criticized the Party Branches for not trying to get the SWP on the Ohio Presidential ballot. He stated that more subscriptions to Party publications must be sold for the Party to continue as a revolutionary party. COCHRAN further stated that the members must be most aggressive if the Party is to attain its revolutionary aims. COCHRAN continued by stating that a depression and chaos are closer than we think and that the golden opportunity may soon be at hand.

AT GREENVILLE, SOUTH CAROLINA

The following investigation was conducted by SAs J. HUGH SMITH and JAMES W. CANNON:

On May 19, 1951, Master Sergeant THOMAS W. HOOD, AF-35380864, who was at that time assigned to Headquarters and Headquarters Company, 375th Wing Command, Donaldson Air Force Base, advised that he was presently and has been Vice-President of Local 1330, USA-CIO, since 1945, last being re-elected in June, 1950, but due to his serving in the United States Air Force he is presently in an inactive status. He stated that SAMUEL CAMENS has been President of the local since June, 1945, and was last re-elected in June, 1950. He stated his association with CAMENS has been close due to the fact that they are both officers in the same local.

HOOD when first asked whether or not CAMENS was a member of the SWP stated that he "believed" that CAMENS was a member of the SWP but when questioned about why he entertained such a belief, HOOD was quite evasive in his replies. He said CAMENS has never told him that he was a member of the SWP and has never told anyone else while he was present. He said he has never seen CAMENS have any membership card and has never seen or known CAMENS to attend any meeting or convention which he had reason to believe or knew to be a meeting or convention of the SWP.

HOOD first said he thought or "believed" CAMENS to be a member of the SWP because he followed the "Party line" of the SWP in programs which he advocated during meetings of Local 1330; but HOOD, when questioned as to specific programs on the Party line of the SWP which CAMENS supported, stated he could not recall any definite programs which CAMENS had supported and said he also recalled "Party line" programs which CAMENS had not supported. HOOD said he generally knew what programs the SWP was supporting because he frequently read "The Militant," the newspaper of the SWP, in order that he could keep himself advised as to what programs the SWP was advocating.

HOOD said that the SWP formerly held mass meetings at the Roumanian Hall and other places and that all union members and laborers were invited to attend these meetings which were

~~CONFIDENTIAL~~

open to the public. HOOD called them open forums and said he attended some of them back in about 1946 and believed he could recall that CAMENS was also present at some of these open forums but said CAMENS appeared to be a mere spectator just as he, HOOD, was.

HOOD said he could only recall one instance in which CAMENS was ever openly accused of being a member of the SWP and that was during a meeting of the union back in about 1946 during the period of the "strike." HOOD said that one ANDY BATHORY, who was generally known among the union members to be a member of the CP, got up at the meeting and accused CAMENS of passing out copies of "The Militant" during the 1946 strike and accused him of being a member of the SWP. HOOD said BATHORY became in disrepute with the local and he doesn't know what became of him afterwards. HOOD said he could not recall whether CAMENS openly denied the accusation or not.

HOOD was questioned as to whether he knew CAMENS had submitted a non-Communist affidavit as provided by the Labor Management Relations Act of 1947 on or about July 7, 1950, and he stated he knew the subject had executed such an affidavit as he, HOOD, and all the other officers of the local had submitted one at about the same time. He said there was never any discussion among the officers of the local as to whether or not they should or should not submit such affidavits or whether membership in the SWP was included in the affidavit.

HOOD stated that shortly thereafter he was called into the Air Force and has no knowledge or opinion as to whether CAMENS has given any indication since that time as to whether he is still occasionally following the SWP "Party line."

In summary, HOOD stated that he had no knowledge of CAMENS doing any specific act such as attending meetings or conventions of the SWP or saying anything which would reflect membership in the SWP before July 7, 1950, or subsequent to that date and said that upon thinking it over he did not know whether he would swear that he ever "believed" that CAMENS was a member of the SWP.

In addition, SA GEORGE G. MC KENNA of the New York Office can testify that he attended the SWP's LENIN Memorial Meeting on 1/28/48 at the Central Opera House, New York City at which GEORGE CLARKE of the SWP's national committee hailed LENIN for applying the principles of KARL MARX to the Russian Czarist economy and bringing about the greatest revolution in history.

CLARKE said he looked forward to the day when a similar revolution could be effected in the United States. He expressed regret that the United States was not blessed with a LENIN.

SA MC KENNA also attended the SWP "election rally" called to celebrate the 33rd anniversary of the Russian Revolution, at the Hotel Capitol, New York City on 11/3/50.

At this meeting JOSEPH HANSEN, SWP National Committee member, declared the Russian Revolution inspired JAMES P. CANNON, who today leads the SWP in the quest for true socialism. JAMES P. CANNON at this same meeting declared his party was fighting for the workers in the class struggle and against American capitalist imperialism.

Agent MC KENNA attended a public forum sponsored by the SWP on 2/20/49 at Beethoven Hall, New York City, at which GEORGE CLARKE, SWP presidential campaign manager, praised TROTSKY's theory of the "Permanent Revolution" and his declaration that the revolution could not be confined to one country, that socialism could not exist as an island in a sea of capitalism but must expand into all the countries of the world. Agent MC KENNA purchased at this meeting a copy of the pamphlet "Only Victorious Socialist Revolution Can Prevent the Third World War", copyrighted in 1946. Therein it is stated that the SWP is in complete solidarity with the decisions of the International Conference of the Fourth International held in Belguim in April 1946.

This Conference in a manifesto set forth in the pamphlet called for a world-wide socialist revolution and set out four conditions for the worker's revolution. RUC.

RESULTS OF INVESTIGATION

Sergeant MATTHEW CONLON, Narcotics Squad, 1st Precinct, Old Slip and South Street, New York City Police Department, New York, New York, who was an undercover member of the Socialist Workers Party (SWP) from 1942 to 1946 for the New York City Police Department, advised on June 18, 1956 that, throughout his association with the SWP, it was an accepted fact by himself and all members of the SWP known to him that "The Militant" was the weekly organ of the SWP and that the SWP paid "The Militant" staff and published that publication. CONLON stated that it was also an accepted fact that the publication's editors, writers, and a majority of its "by-liners" were members of the SWP; he specifically recalled editor FELIX MORROW, and writers ARTHUR BURCH, TED GRANT, city organizer and organizer for the Central Branch, and MURRY WEISS, organizer for the Central Branch and also believed to be a city organizer, as individuals he personally knew as members of the SWP connected with "The Militant." (U)

New York T-6, who has furnished reliable information in the past, advised on July 12, 1948 the following information and provided copies of the material hereinafter mentioned concerning the SWP National Convention, July 1 through July 5, 1948 at New York City: (U)

Socialist Workers Party N.Y.

On July 1, 1948, Convention Chairman GEORGE CLARKE presented a resolution from the National Committee of the SWP, received by them from the International Secretariat of the Fourth International, which stated that the SWP would work in close harmony with the Fourth International and would support it one hundred per cent on all of the world's problems. The resolution was presented to the delegates and adopted unanimously.

~~CONFIDENTIAL~~ (U)

On July 1, 1948, continued New York T-6, Comrade WILLIAM F. WARDE was introduced to provide the National Economic and Political Resolution. WARDE stated that he was going to propose a resolution which was copied from the 1946 Mass Action Resolution adopted at the National Convention of the SWP in November, 1946; he said that this resolution would attempt to appraise all of the happenings since then and to formulate these events into a vast attack on imperial capitalism.

WARDE added that the dark side of the capitalists' spree after World War II was too much export and not enough import, which caused the world-wide choke in production. He then stated that the aid given under the Marshall Plan was given for the following reasons: (1) To aid the capitalists by allowing them to ship more goods to Europe; (2) To save European countries from bankruptcy and to prevent the collapse of capitalism in these countries; (3) To prepare for war with the Soviet Union. According to WARDE, the Democratic Party has dominated the political field, but this Party has failed to solve the workers' problems. WARDE said that the revolutionary program of the American Worker was bound to come.

In making his talk, continued the informant, WARDE referred to "Internal Bulletin," Volume X, Number 5, June, 1948, issued by the SWP, 116 University Place, New York 3, New York, article "Militarization Of The USA And The Tasks Of The Socialist Workers Party," beginning on page 1. WARDE stated that the resolution which he was presenting was based upon this article.

On July 2, 1948, advised the informant, the resolution, as presented by WARDE, was voted on and adopted.

Photostats of the described "Internal Bulletin" are being furnished as Exhibit L.

Socialist Workers Party

Continuing, New York T-6 revealed that on July 3, 1948 (U) Comrade E. R. FRANK of New York was introduced to make the Trade Union report. FRANK, in making his report, referred to material entitled "American Trade Unions In The Post-War Period And SWP Tasks," and "Notes On 'American Trade Unions In The Post-War Period And SWP Tasks'" by FRANK A. BARBARIA; his speech was made from these two items. FRANK went over the foundation of the Congress of Industrial Organizations (CIO) and its trials and tribulations of the past thirteen years, pointing out that they

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

had ousted the old leaders, appointed new leaders, and still they had gained no results. He said that the Communist Party (CP) had been thrown out of the CIO and that they do not now have a single branch of the CIO Trade Union. The balance of FRANK's speech dealt with the Trade Union reports previously mentioned and material directly out of them.

On July 4, 1948, went on the informant, FRANK stated that it was hard to confine the resolution to the CIO and that the American Federation of Labor (A.F.L.) comprises one-half of the Trade Unions and the resolution will be changed to include the A.F.L. To establish left-wing groups in the Trade Union Movement, it is necessary that the workers be educated to support this movement.

The Trade Union Resolution was put to a vote on July 4, 1948 and adopted unanimously.

Photostats of "American Trade Unions In The Post-War Period And SWP Tasks" and "Notes On 'American Trade Unions In The Post-War Period And SWP Tasks'" are being furnished as Exhibit M and Exhibit N respectively.

New York T-6 continued with the information that on July 4, 1948, Comrade J. JOHNSON of New York was introduced to make the report on the Negro Question. JOHNSON's entire report was taken from the material "Draft Resolution On The Negro Question." JOHNSON read the entire draft resolution and all his remarks, stated the informant, are contained in the aforementioned draft resolution.

The Negro Resolution was put to a vote on July 4, 1948 and adopted unanimously.

Photostats of the "Draft Resolution On The Negro Question" are being furnished as Exhibit O.

According to "The Founding Conference Of The Fourth International," published by the SWP in January, 1939, the Fourth International was founded in September, 1938 in order to direct and co-ordinate the followers of LEON TROTSKY throughout the world toward the eventual revolutionary overthrow of capitalism.

The CP, U.S.A. has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On November 1, 1950, ~~New York T-7~~ Cleveland T-2, who has furnished reliable information in the past, made available a copy of "Internal Bulletin," Volume XII, Number 3, October, 1950, issued by the SWP, 116 University Place, New York 3, New York, which, beginning on Page 1, sets out "Resolution On The Class Nature Of Yugoslavia," submitted for pre-convention discussion, Fourteenth SWP National Convention, New York City, November 24 through November 26, 1950, and, beginning on Page 7, "General Political Resolution," also submitted for pre-convention discussion.

Photostats of the described "Internal Bulletin" are being furnished as Exhibit P.

New York T-6, mentioned previously, on August 7, 1952, provided the following information concerning the Fifteenth National Convention of the SWP held at New York City from July 17 to July 21, 1952: (U)

On July 17, 1952, a resolution on the Third World Congress of the Fourth International, submitted by the Political Committee, was approved by the convention. This resolution, advised the informant, states in part "the Fifteenth National Convention of the Socialist Workers Party hails the work of the Third World Congress as a significant achievement of international Trotskyism in the sphere of Marxist analysis, strategy and tactics. It considers correct the estimation made in the various theses and resolutions of the nature of the coming war, the tempo of the war drive, the analysis of the contradictions of the Kremlin, and the National Stalinist bureaucracies, the characterization of the class nature and the evolution of Yugoslavia and the countries of Eastern Europe, and the significance of the Chinese Revolution."

On July 17, 1952, JAMES P. CANNON, presented the political resolution as adopted by the plenum of the National Committee of the SWP, May, 1952, and submitted to the membership for pre-convention discussion and action by the Fifteenth National Convention. This resolution, revealed New York T-6, is incorporated in "Discussion Bulletin," Number 10, May, 1952. (U)

~~CONFIDENTIAL~~

[On August 29, 1952, New York T-1, described previously, made available a copy of "Discussion Bulletin," Number 10, May, 1952, published by the SWP, 116 University Place, New York 3, New York.

Photostats of the described "Discussion Bulletin" are being furnished as Exhibit Q.

[New York T-6 went on to reveal that JOSEPH ANDREWS, on July 19, 1952, presented the "election platform" which sets forth the election resolution. This platform accuses United States imperialism of preparing for war and accuses both Democrats and Republicans of being "war makers and witch hunters." The convention adopted the election platform resolution in its entirety.

The election platform, according to [New York T-6, asks that prosecution of political minorities for mere expression of opinion be stopped and that the Smith Act be repealed and calls for amnesty to all Smith Act "victims;" it asks for repeal of the Mc Carran Act, as well as the Mc Carran Immigration Bill, it demands equal rights for all and calls for the repeal of all laws, particularly the Taft-Hartley Act, which are designed to "restrict labor's rights;" it calls for production for peace rather than war, for price and rent controls, and for a reduction in taxes levied against the lower income brackets; it calls for building 20,000,000 low cost housing units, a Federal Medical Aid program, adequate old age pensions, a program of government sponsored nurseries in all industrial cities to care for children of working mothers; the platform demands that the draft be stopped and that no troops be sent abroad without a referendum vote of the people; finally, the platform states that labor has no representation in Washington and the SWP fights for the creation of a labor party based on the unions, stating "only a workers and farmers government can reorganize our system on a national basis and utilize the tremendous potential wealth and strength of our country for the benefit of humanity."

[Boston T-1, who has furnished reliable information in the past, on July 24, 1952, advised that the following resolutions were passed unanimously by the delegates at the SWP National Convention, held in New York City, July 17 through July 20, 1952:

~~CONFIDENTIAL~~

1. Delegates passed resolution demanding that American boys be brought home from Korea.
2. Delegates unanimously passed a resolution demanding that the United States "keep hands off the Bolivian Revolution."
3. Unanimous adoption of a resolution demanding that the United States recognize the present government of MAO-TSE-TUNG.

[New York T-8, who has (C) (U) furnished reliable information in the past, on January 5, 1955,] made available a copy of "Discussion Bulletin," A-26, December, 1954, published by the SWP, 116 University Place, New York 3, New York, which, beginning on Page 1, sets forth "The Political Situation in America," and, beginning on Page 13, "Convention Motion on Political Resolution," adopted by the Sixteenth National Convention of the SWP, Chicago, Illinois, November 26-28, 1954.

Photostats of the described "Discussion Bulletin" are being furnished as Exhibit R.

The February 6, 1956 issue of the "National Guardian," page 6, columns 2 and 3, contains an article entitled "Bill of Rights Fund grants in 1956 total $30,000 for 50 crucial cases" which sets forth the following information:

> "THE BILL OF RIGHTS FUND, an organization to give financial assistance to key civil liberties cases, gave more than $30,000 in grants during the past year, it was announced today by Dr. Corliss Lamont, chairman.
>
> "The annual report reviewed only 10 of the 50 cases aided, including assistance in the case of legless veteran, James Kutcher, dismissed from his Veterans Administration job for membership in the Socialist Workers Party..."

The 1949 report of the California Committee on Un-American Activities cited the "National Guardian" as a publication launched in New York in 1948, aiming at national circulation, which they found to be from its inception notoriously Stalinist in its staff, writers, management and content. (1949 report of the California Senate Fact Finding Committee on Un-American Activities, page 394).

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

New York T-~~8~~ 5, who has ~~(C)~~ (U) furnished reliable information in the past, on November 15, 1954, made available a mimeographed leaflet dated November 4, 1954, entitled "Announcement of Bill of Rights Fund. Corliss Lamont, Chairman." This leaflet reflects that CORLISS LAMONT had set aside $50,000.00 to initiate a special Bill of Rights Fund, to give financial assistance to key organizations and enterprises that are working militantly and uncompromisingly for American civil liberties on the basis that the Bill of Rights should apply impartially to all groups and individuals in the United States; and to provide financial help in especially significant individual cases involving constitutional issues, in order to assist the victims with their legal defense and to lessen economic pressures on such persons if they have lost their jobs.

The leaflet further indicated that the goal of the Fund was $1,000,000.00 and persons interested in sending contributions to the Fund should send them to Dr. LAMONT as Chairman of the Fund, 450 Riverside, New York 27, New York.

The "National Guardian," in its edition of February 6, 1956, page 6, reflects an article indicating that on February 6, 1956, CORLISS LAMONT, Chairman, announced that the Bill of Rights Fund had made grants totaling $30,000 in fifty "civil liberties cases." Among the grants listed in the article were: to "STEVE NELSON, Pennsylvania Communist leader;" to the Jefferson School of Social Science and to "ALFRED MARDER, Connecticut Smith Act victim."

The Jefferson School of Social Science, New York City has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

It is to be noted that New York T-~~10~~ 7, who has ~~(C)~~ (U) furnished reliable information in the past, on June 23, 1950, advised he knew CORLISS LAMONT as a concealed member of the CP.

An article entitled "Say Kutcher's 'Crime' Same as Ike's" appears on page 3, column 1, of the January 2, 1956 edition of the "Daily Worker" which notes that Attorney JOSEPH RAUH declared that there is a similarity between some alleged critical comments on the Korean war by JAMES KUTCHER and those

~~CONFIDENTIAL~~

made by General EISENHOWER during the 1952 presidential election campaign.

The article also reports that the Veterans of the Abraham Lincoln Brigade (VALB) wired the Veterans Administration that they are "of the opinion that any man who fought honorably for his country in the war against fascism should not be denied any compensation due for disabilities because of his political opinions."

The "Daily Worker" is an East Coast Communist newspaper.

The VALB has been designated by the Attorney General of the United States pursuant to Executive Order 10450.
